

Cashback Terms and Conditions

1. The Slotier Online Casino provided their Players with Cashback as withdrawable funds which are collected directly to the Cash Balance without any wagering requirements. Those funds can be used to place bets in any games, except for games designated by online casinos.

2. Here are a few requirements that must be met.

2.1. **Positive balance.** The total amount you deposited at Slotier Online Casino must be more than you withdrew, including pending and waiting withdrawal requests.

2.2. **Withdrawal gap.** You must not withdraw funds for at least three consecutive days.

2.3. **Cashback gap.** You must have not collected cashback within the last 24 hours.

2.4. **New Deposit.** You have to make at least one new deposit after collecting previous cashback to qualify for another one.

2.5. **Cash Balance.** You must have on your cash balance less than the Max Cash Balance parameter amount left.

3. **Cashback rate (CR)** is measured in percentages. The amount of Cashback is calculated as follows:

$CR\% * (Deposits - Withdrawals)$.

Deposits and Withdrawals (including pending and waiting withdrawal requests) are the total sums calculated as follows.

3.1. For the first Cashback collection:

- regarding account holders – for one day after the cashback feature is launched
- regarding new players – upon registration until the first cashback collection.

3.2. For any further Cashback collections – from the previous cashback collection to the current one.

3.3. **As for Deposits**, only successful ones are counted.

3.4. **As for Withdrawals**, all completed, pending and waiting requests are counted.

4. **Cashback parameters.** In addition to the Cashback rate, there are two parameters.

4.1. **Max Cash Balance** is the maximum amount that can remain on a Player's Cash Balance so that he/she can claim Cashback.

4.1. **Max Cashback Amount** – maximum amount that can be collected by the Player as Cashback.
